Please provide a copy of the following literature:

1) Harchali et al., Microparticle enhanced nephelometric immunoassay of anti-thyroid peroxidase autoantibodies in Thyroid disease, CLin. Chem. 40(3): 442-447 (1994).

2) Lindmo et al., Immunometric assay by flow cytometry using mixtures of two particle types of different affinity, Journal of Immunological Methods, 126 (1990), pages 183-189.

Thanks a bunch,
